

Season's Greetings

from IndoRelief!

Warm holiday greetings from IndoRelief! We wanted to thank everyone for all of their support in 2015- it was a great second year for us! We've provided healthcare services for over 500 individuals in the slums of Faridabad, have launched numerous mental health and wellness camps, and have successfully opened the New Beginnings Clinic, an orphanage for 7 boys , previously victims of child labor. We are excited to embark on 2016 and to continue to provide health and well-being services to these under-served communities. We could not have done any of it without the support of our friends and family- thank you so much!! Blessings of health and happiness in the New Year!

This past November we launched our first holiday fundraiser to kick-off funding for the New Beginnings Clinic. We had runners participate in the 5K, 10K, and Half Marathon distances at the Fremont Quarry Turkey Run. We had a beautiful morning of running, catching up with friends and family, and reflecting upon the season of giving! This fundraiser raised over \$3,200, helping to ensure on-going funding for the boys of the New Beginnings Clinic. Thank you so much to all who came out and who supported our cause!
